

4-H EXHIBIT LIST

4-H CLUB LEADERS

Teela Sadowsky, Rachel Eivins, Vicki Vandiver, Jennifer Prest, Glenda Mercer, Randy Klingensmith

1. Members must be enrolled in project unit. The exhibits must be articles that correspond with project unit they are enrolled in this year.
1. All exhibits must be correctly and completely labeled before entering.
2. Exhibitors may enter 3 (three) entries for each project enrolled in, but only one per class.
3. Exhibits must be entered Wednesday afternoon, August 28 – 2:00 to 6:00 p.m.
4. Entries must be picked up Monday afternoon, September 2 – 3:00 to 4:30 p.m.
5. Only listed exhibits will be accepted and must be either constructed or raised by the 4-H members in the 2018-2019 project year.
6. No article can be listed for sale.
7. Clover Kids are eligible to exhibit in the 4-H building for ribbons only.

SHOWCASE GUIDELINES

1. Items made by 4-H members should reflect the skills they have learned in the 4-H project, the needs and interests of the 4-H'er, and quality workmanship. Use the 4-H project literature and the "Clover" for ideas and criteria.
1. 4-H members may display only in projects in which they are enrolled in the current 4-H year. Items showcased must be made in the current year and must be the work of the 4-H member submitting the item.
2. Items must be of blue-ribbon quality.
3. Items are displayed at the risk of the 4-H member. The 4-H staff, Extension Centers and Northwest Missouri State Fair are not responsible for loss or damage to items.
4. A member is limited to two items in the 4-H building and one demonstration in the 4-H division.
5. All 4-H building items must be registered either on the Northwest Missouri State Fair voucher computer program or on Fair computation program report. Special instructions for the preparation of these vouchers will be provided.
6. The following items will be displayed in the "Library", a special area that allows fairgoers to touch and examine the items. 4-H members name and address should be permanently affixed to item.

***Notebooks** (three-ring binders are preferred) – name and county on spine.

***Posters** (flat only; do not fasten items to the poster) – name and address on back.

***File Card System**

These items will be accepted from any project. Youth who show notebooks, posters, or file card systems should understand that their exhibits will be handled.

7. Where the item list states, "any item made," the 4-H member may display any item made in that project. This includes notebooks, file cards, photo displays, posters, or educational displays.
8. Because of display space, available cases and numbers of exhibits in certain projects dimension criteria is specified. Items which do not comply with size or other specifications will not be displayed or receive a ribbon. There should be no posters, notebooks, or patterns attached to projects. Scrapbooks made in projects other than class 315 will be displayed in the Library or with other exhibits.

Poster – No larger than 14" x 22"; flat only; do not fasten items to the poster

Photo Display –

REQUIREMENTS:

1. Photos must be mounted on an 8" x 10" solid mounting surface.
1. The mounting surface should be mat board.
2. Photographs must be 8" x 10" or smaller, with no more than four photos per mat board.

PLEASE NOTE:

***Solid** requires that there are no cutouts or other holes in the mat board, either around or behind the photo.

***Mat board** is a specific material. It is not cardboard, foam core, poster board, etc.

-Mat board may be easily purchased from online retailers if local craft stores are not available.

-Examples of online retailers that sell 8" x 10" mat board include Sears, Golden State Art, Redimat, Etsy and several others which can be found via Google.

*Mount photos on the smoothest side of the mat board, using only adhesives designed for permanent mounting of photographs.

*Photo exhibits should arrive in a "zip-lock style" bag to protect them from dust, humidity, etc.

*Include name, address and county on the back of each photo.

All exhibits are subject to the FULL State Fair Photograph guidelines. They are posted online at <http://4h.missouri.edu/go/events/statefair/photoguidelines/pdf>.

***NEW – Educational display**

A new product is now available to make educational displays easier to construct. The size is 24 inches by 18 inches. When it opens and stands it has 6 inch sides and a 12 inch back. This is acceptable. For 2013 the original dimensions of 11 inches in height, 12 inches in depth (front to back) and 14 inches in width will also be accepted. Must include three-dimensional items and stand alone.

(Posters with items taped to them do not qualify as educational displays. Science fair display boards are too large.)

Entomology or geology display boxes –

Box must be no more than 18" long x 24" wide and 3 1/2" deep to fit in display racks. Plexiglass or plastic covers are preferred. No handles or knobs. Boxes will be displayed upright in racks.

Scrapbooking exhibits should be only 1 page/1 side representative of the complete scrapbook.

1. Size not to exceed 12"x12".
1. All pages should be in clear protective sleeve or clear zipper bag. Do not frame.
2. **NEW** If more than one page is submitted for an exhibit, the exhibit will be disqualified.

Working models – These exhibits should show how things actually work (cutaway sections of motors or computers) or can be used to help people identify parts, such as those of a motor or computer. Many times these exhibits are considered "hands-on" and can be handled by visitors. Working models should require floor space no larger than 14"x22".

Decorated cakes – The use of forms or pans is recommended. Cakes should not exceed 13" in height or at the base. Cake boards should not exceed 1" margin on each side of cake pan or form and is considered in the 13" base requirements. **Must only use Royal Icing, Rolled Fondant or commercial product (i.e. Dapp) that will harden and preserve the decorated cake.** (No real cakes, butter crème icing or tube/gel icing – displays containing these items will be considered ineligible and will be rejected).

9. Perishable items such as food, vegetables, crops, and home grounds items will not be returned after the Fair. Edible vegetables will be donated to a charitable organization. These items are displayed in group settings, not as individual projects.

10. Photographs of items too large or fragile:

This category is restricted to: large items such as welding projects or large woodworking items like furniture; fragile items such as delicate ceramic work. It is not intended as a substitute category for bringing or mailing a project. All pictures of projects should not exceed 5 x 7 inches, should not be mounted on anything and should not have multiple pictures. Counties should send pictures individually,

rather than making a poster board of all the pictures. The tag should be attached. Indicate on the voucher that this project is too large or fragile to come and what the project is. These photographs will not be returned. Do not send pictures of items that would be disqualified if sent to the fair.

11. Any exhibits using batteries, such as circuit boards or robots should not connect the wires to the battery; rather the wires should be taped behind the battery. Another option is to not attach a battery, but indicate "battery goes here". This is to prevent potential fire hazards.
12. All 4-H Building items must be checked in and out of the 4-H Building by Northwest Missouri State Fair 4-H personnel during established times. **(No exceptions will be made.) No early removal or checkout of items is permitted.** Items which are not properly checked in or out of the 4-H Building will not be awarded premium monies and/or ribbons.
13. No outdoor exhibit space is available. Please contact the Northwest Missouri State Fair 4-H personnel prior to check-in for approval of large, oversized exhibits. Determination of items to be showcased will be left to the discretion of the 4-H Building Superintendent, based on available space and the safety of fairgoers. Submitting photographs of these items is encouraged. A ribbon and premium will be awarded for the project.
14. Shooting Sports exhibits should contain no live ammunition and arrow points should be removed.
15. All items must have a Northwest Missouri State Fair tag securely fastened in a place which is visible to fairgoers. A second identification label is required on all items, except perishable items such as food, vegetables or crops. This label should give name and county of the 4-H member and be placed in an inconspicuous spot. When an item includes more than one piece, each piece must be labeled with name and county. (Examples: jacket and skirt, rocket and rocket launcher, ceramic tea set, mittens, etc. should have an identifying label on each piece. Textile items (clothing, knitting, visual arts, etc.) should have a label sewn or safety pinned into the item as a second label. Please remove all county or regional ribbons. Vegetable and food tags should be placed in an envelope.
16. Counties who mail or ship their items to the Northwest Missouri State Fair should enclose one copy of the voucher and a diskette with the voucher in the box with the items, and mail one copy separately to: 4-H Superintendent, 4-H Building, Missouri State Fair, 2503 W 16th St, Sedalia, MO 65301. Use sturdy boxes. Do not ship cakes or items in glass containers. All items must be properly tagged and ready for display. Counties may ship no more than two boxes of exhibits and must enclose CASH to cover the return shipping or mailing costs.
17. Hams will be dually enrolled in the Youth Class of the Country Ham Show and may become eligible for sale if selected as Champion. The 4-H member is required to complete all open division entry forms which should accompany the project at check-in and pay the \$5.00 entry fee and \$2.00 processing fee which is required in the Agriculture Building. Checks must be made payable to "Northwest Missouri State Fair". Only 4-H hams should be checked in and out of the 4-H Building.

ITEM LIST AND GUIDELINES

Note: #Item/class are the maximum number of exhibits per class per county. Each exhibit receives 4 points.

AEROSPACE

FOODS/NUTRITION
4-H'ers must adhere to the following rules: 1. Food must be of reasonable quality to keep more than a week. Do not send food items which will spoil quickly such as casseroles, pizza, cream pies, items made with cream cheese, etc. 2. Submit food items on paper or disposable plates. Plastic wrap will be removed so drying of the food will extend display life of the product, and food items will be removed from plates and displayed as part of a bakery display. Individual tags will be displayed separately. Please do not send expensive or keepsake containers! 3. No samples or recipes are needed with any food items. 4. Perishable food items do not need a second identification label. All tags will be displayed separately. 5. Biscuits, cookies, muffins and other small items should be four per plate. Cakes should be displayed in mini-versions (portions of 1/3 to 1/4 of a larger total product.) A representative sample of each will be displayed. 6. Decorated cakes will be displayed in the Cake Decorating project. 7. Food items excluding cakes will be shown as an overall group display (each exhibit will not be displayed individually).
